

WINE

PLAGA MOSCATO FRIZZANTE

TASTING NOTES

Plaga Frizzante is the last of our additions in our portfolio. All in this wine was inspired in the Italian style of vilifications. Made from classic Italian grape varieties, grown and harvested in the famous and beautiful Sicily Island, selected by our winemaker to make this unique wine, available now in Indonesia. The bubbles, the sweetness and the low alcohol make of this wine the perfect companion for any light food and good conversations.

TECHNICAL NOTES

Fermentation : 20 days with Italian yeast at 13 degrees Celcius
Aged : 6 months in stainless steel tank with light lees
Alcohol : 4,9%
Vintage : 2017

OCCASION

Plaga Frizzante is the best and the perfect companion for any light food and good conversations.

VINIFICATION

Plaga wines are made under the same parameters of vinification as prestigious vineyards in Australia, Chile and California. The fermentation process occurs under low temperatures using stainless steel tanks, pipes and pumps in order to preserve and extract the highest quality juice from imported grapes. In the stabilisation, clarification and filtration stages we have used only first quality enological product from overseas, assuring the quality of our products. The bottling process has been made in a special Italian bottling line to ensure a perfect seal and the correct evolution of the wine in bottle. Time, dedication and the most modern technology are an essential part of the vinification of each bottle of Plaga Wine.

WINE ORIGIN

60% Zibibbo (Muscat of Alexandria) //
40% Glera, Sicily, Italy

DESCRIPTION

Plaga Frizzante has an elegant flavor with a typical taste of Muscat Frizzante wines, fresh and slightly sparkling, combined with a natural sweetness that balances perfectly with the acidity of the bubbles. This sparkling Muscat is fresh and seductive from the first sip with a pleasant finish.
